This final campaign filing report for Marie Kovecsi includes the list of ALL donors who have contributed over 100.00 to her campaign. The reason it is including all of the donors is so that their occupations/professions can be included per the requirements. These donors were reported in our first and second filings but their occupations had not been entered.

Please contact me if you have any questions or if I need to file anything differently to show the occupations.

Thanks.
