

## **TOW HOOK™**

No more scratching up your car while you hang out the car window holding the curbside can!

Tow Hook™ enables you to use your vehicle, garden tractor, or ATV to take recycling to the end of your driveway.

The product has two hooks that go around the recycling cart can handle and the opposite end loops around the ball of the trailer hitch, which holds the cart lid closed too! Tow Hook™ features:

- Durable
- Affordable
- Powder-coated finish
- Easy to use
- Saves time and energy
- Back-saver
- Fits on most commercial trash cans with wheels

Ideal for individuals with a:

- Long driveway
- Gravel, Dirt or Clay driveway
- Snowy and Icy driveway

**Makes life a lot easier in the rain and snow!!**

***NOTE: Not for highway use. Not to exceed 5 MPH.***
