- If **NONE** of the boxes in Section 2 above were checked, **Section 4 and 5 below MUST BE COMPLETED**

4. COMPLIANCE STATUS OF PROPERTY TO BE TRANSFERRED:

- An MPCA Designated registered professional conducted a Compliance Inspection of the existing sewage treatment system. This report is 3 years old or less and is attached. The compliance inspection report indicates that the sewage treatment system is **IN COMPLIANCE** (Attach Copy of Inspection Report) :
- The system is **IN COMPLIANCE** as evidenced by a completed Winona County Septic System Certificate of Compliance issued by the Department that is 5 years old or less, and is attached;
- The MPCA Compliance Inspection Form conducted by a Designated registered professional indicates that the septic system is **NOT IN COMPLIANCE (FAILING and/or IMMINENT THREAT)** to public health or safety and shall be replaced or upgraded to MN Rules Ch. 7080 standards and the Winona County Ordinance within the specified time frame. The property sale/transfer may occur with the stipulation that the Seller and Buyer have a signed agreement as to who is responsible for the replacement or upgrade of the septic system.
A Winona County Septic System Responsibility Form must also be attached.
- The sale or transfer of property occurs during the winter months of November 1st and April 30th, and as a result, cannot be completed due to weather conditions. It is the buyer's and seller's responsibility to ensure that the required compliance inspection is completed and filed with the Planning and Environmental Services Department by the following June 1st.
A Winona County Septic System Responsibility Form must also be attached.

PLEASE BE ADVISED OF THE FOLLOWING: If the septic system to be transferred is found to be out of compliance, the property owner is required to obtain a sewage treatment system permit and complete the required upgrade and installation in accordance with the Winona County Zoning Ordinance, Chapter 13 Regulations and all applicable MPCA Chapter 7080 State Rules.

5. BUYER (S) AND SELLER (S) SIGNATURES:

By signing this Certificate Form, the buyer(s) and seller(s) agree to have provided accurate information for this property transfer, and if checked as incomplete due to winter conditions of November 1st through April 30th, shall submit the required Compliance Inspection report by the following June 1st. Please be aware that Winona County cannot and does not guarantee future operation of septic treatment systems. If this system should fail to function properly in the future, it will be the responsibility of the property owner to bring the system into compliance with applicable Winona County ordinances. Any increases in water use may adversely affect the longevity of the system.

Winona County Septic System Responsibility Form

The Winona County Zoning Ordinance requires that properties that are transferred that contain an existing septic system, must provide adequate documentation in regards to how a non-compliant system will be brought into compliance. This form is to be completed if the system in question cannot be inspected or replaced prior to the sale or transfer of the property. The purpose of the form is to legally define the responsibility for required future inspection, repair, replacement, and maintenance of the septic system(s) on the property.

Pursuant to Chapter 13.10.2 D. IV. of the Winona County Zoning Ordinance; If the seller fails to provide a Certificate of Compliance, the seller shall provide the buyer sufficient security in the form of an escrow agreement to assure the installation of a complying septic system. The security shall be placed in an escrow with a licensed attorney-at-law, or federal or state chartered financial institution. The amount escrowed shall be equal to one hundred and fifty (150) percent of a written estimate to install a complying septic system provided by a licensed and certified installer, or the amount escrowed shall be equal to one hundred and ten (110) percent of the written contract price for the installation of a complying septic system provided by a licensed and certified installer. After a complying septic system has been installed and a certificate of compliance issued, the Department shall provide the escrow agent a copy of the Certificate of Compliance.
